Affirmation Generation

Early affirmative care is being questioned not only by the conservatives but by many fair-minded liberal thinkers as well. This excellent video is well worth a listen.

Glad to see Vimeo has restored the film. Well done to everyone involved in this film and well done to Vimeo for recognising this is not "anti-trans" sentiment. It's "pro-wellbeing" and "pro-welfare". Trans isn't the problem. The affirmative model of care is the problem.
