Protocol for Storage and Transfer of Records.

All records are stored in a secure location and are locked in a room designated specifically for storage of secure documents and medical records. Records will be released only with a designated release signed by the patient or by his/her legal guardian. Please see Forms Section of my website for release forms.

Please contact me by phone: 360.870.3801 or by email:

Jeffrey.hansenphd@comcas.net to request release forms or to receive more information on the storage and transfer of your records.
